CHILDREN'S SYSTEM OF CARE TRAINING ACADEMY**

**Greg Manning, Psy.D.  
“The Art of Facilitation”**

**Course Description:**

Many of us find ourselves facilitating groups, teams or meetings without formal training or preparation. Dr. Manning's workshop will present the advanced skills and “artful” techniques for successful facilitating.

This six-hour course will be an interactive and didactic presentation on the wide range of issues facing a group facilitator with a focus on the “art” of group facilitation. The presenter will review issues of group dynamics, family systems, establishing and measuring outcomes, client empowerment and facilitating clinical (therapy) versus process (Wraparound, etc) groups to improve the participants ability to improve their performance and enjoyment of the group process.

**Learning Objectives:** *After the training, participants will be able to:*

- Identify and describe group dynamics and family systems as they relate to all types of group facilitation.
- Discuss the connection between client empowerment and improved performance and of the group and improved outcomes.
- Discuss the roles and the procedures of establishing and measuring outcomes for groups.
- Demonstrate the facilitation principles into their work with youth and families in all group settings.

**Instructor:** **Dr. Manning**, a licensed psychologist, has extensive experience in integrating mental health services into the child welfare and probation systems. He is a faculty member at the University of Phoenix.
